THE SECRETARY TO THE CHIEF COMMISSIONER OF

To

The Dewan of Mysore,
Bangalore.

SIR,

I am directed to acknowledge of your letter No. 9541-G.225, dated the 11 1894, on the subject of the exemption of the Carrying the mail between Mysore and from payment of tolls on the Mysore Side Fraserpet bridge, and to reply that last, the Chief Commissioner asked the ment of India to exempt the mail service between Mysore and Coorg operation of Section 4, Act VIII of 18 request, however, was refused on that the payment of tolls had into account in the Subsi

※ Tolls Act.

to grant the Contractor the exemption applied for.

2. I am however to explain that the present subsidy to the Contractor includes one hundred rupees contributed from the Coorg district Fund, which will cease from the 31st April 1895, and the question of the exemption of the mail tonga from payment of the tolls will again be submitted to the Government of India, unless it is taken into Consideration in fixing the subsidy for a new Contract.

The Mysore toll gate was not established when the present Contract was given, so that the same reasons which lead to the refusal by the Government of India to exempt the mail tonga from payment of the toll fees, do not, I am to say, appear to exist in the case of the Mysore Government, and I am to ask that the Durbar will consider the question under

Requires orders. It was found in the Dharwar file which was sent for in march in connexion with the question raised by the 3rd Councillor as to whether the Income & Toll Revenue was Creditable to Pro a & Dr. Pro & which is decided in favour of the former in Govt Pro No 11049-53 dd. 26th march 1896 (Put up). The exemption was granted to the Tongas Carrying H.M.'s mails and it is quite enough that a Tonga carries the mails to claim the exemption. The question as to whether in addn to the mails a tonga carries private goods, a passengers is in my opinion not to the point. I submit. draft accordingly
